FAMILY OF BRANDS

Australian Pipeline Valve (APV) manufacturers a complete range of ASME, API & BS/AS valves such as check, gate, globe, as well as firesafe certified ball and plug valves for petrochemical, oil, gas, mining, process and industrial markets under the Australian Pipeline Valve brand. Australian Pipeline Valve also supply oilfield wellheads and associated products.

The Australian Pipeline Valve family also includes the following brands which cover a broad range of valve types and pipeline products for all industries:

APV-Diamond Gear®	1/4 turn worm gearboxes, declutchable gear boxes, multi-turn bevel gearboxes
APV-Flowturn®	Iron diaphragm, gate, globe, check valves, multi-way ball valves, deadman ball valves, needle valves, sight glasses, strainers.
APV-Steamco®	Steam valves: parallel slide, stop check (SDNR), right angle globe.
APV-Supercheck®	Dual & single flap wafer check valves.
APV-Superseal®	High performance and lined butterfly valves for all industries including oil, gas, chemical etc. Also iron and steel ball valves for industrial markets.
APV-Torqturn®	Pneumatic & hydraulic heavy duty piston actuators to suit pipeline valves for oil & gas installations. Scotch yoke, rack & pinion, all sizes, up to very high torque range.
APV-Uniflo®	Cast iron & Rubber flap check valves.
APV-Twinlok®	Twin ferrule stainless steel tube compression fittings fully interchangeable with major brands.
